PS-1

- I am: A traveler who frequently books flights online.
- I'm trying to: Search and book affordable flights quickly and easily.
- But: Many websites have complicated interfaces and unclear booking processes.
- Because: There is too much information, hidden charges, and confusing navigation.
- Which makes me feel: Frustrated and worried about making the wrong booking decision.

PS-2

- I am: A user concerned about online transaction security.
- I'm trying to: Book a flight ticket safely using an online platform.
- But: I am unsure whether my payment and personal details are secure.
- Because: Some platforms lack proper authentication and transparency.
- Which makes me feel: Anxious and hesitant to complete the booking.
